ANA Executive Director Sparks Local Hobby In Northern California

During the first weekend of December 2021, Kimberly S. Kiick, the American Numismatic Association (ANA) Executive Director, enjoyed a full festive three days with the 'grass-roots' of our organized numismatics in northern California.

Initially invited to be the Mistress of Ceremonies for the Fairfield Coin Club and Vallejo Numismatic Society's Joint Christmas Party, held on Saturday, December 4, 2021, in Vallejo, California, her visit expanded to include an all-day wine tour and tasting in the famous Napa Valley, time at PENPEX, a regional stamp show sponsored by the Sequoia (Redwood City, California) Stamp Club, and the Holiday Dinner of the Diablo (Concord/Walnut Creek, California) Numismatic Society.

Each happening allowed 'Kim' to meet and to mingle with fellow hobbyists, including stamp hobbyists, where she added to her awareness of philately. At the aforementioned Joint Christmas Party, she met and conversed with the Presidents, as well as members, of these local coin clubs: Cupertino, Delta, Diablo, Liberty, Peninsula, Redwood Empire, Sacramento Valley, as well as the Northern California Numismatic Association (NCNA) and the California State Numismatic Association (CSNA), as well as the sponsoring Fairfield and Vallejo groups.

While her time and travel were enjoyed, two positives were enhanced from her packed three days: the essentiality of local coin clubs *and* women in numismatics.

'Kim' verified that local coin clubs are 'the grass-roots' of our numismatics. Without these hundreds diverse groups around our nation and into Canada, the 'world of money' hobby would cease or be severely curtailed. 'Kim' repeatedly, when addressing groups during her visit, encouraged, commended, and stated strongly the imperative need for organized numismatics conveniently local to all hobbyists and the general public.

She met and united with three women, all heavily involved and committed to organized numismatics. 'Kim' bounded with Suzanne Trigonis of the Cupertino Coin Club, exchanging insights about youth numismatics, Maria E. Stillwagon, of the Vallejo/Fairfield groups, also sharing ideas, and Kristin Patterson, PENPEX Coordinator and dedicated Sequoia Stamp Club booster, building bridges connecting the world's two greatest people hobbies. She listened, learned, and inquired with all three, with the emphasis that women should advance in organized numismatics, adding their initiatives.

In addition, 'Kim' was particularly impressed with local efforts in 'youth numismatics'. Also, as time and budget allow, she would add travelling and visiting local organized numismatics around our country, including into Canada.

'Kim' stated she "had a fantastic time" and learned much.

Coordinated by Michael S. Turrini, current California State Numismatic Association (CSNA) President and 'Doctor' Lloyd G. Chan, current President of the Northern California Numismatic Association (NCNA), 'Kim's' visit was well-received by many, which also igniting networking.

Appreciation is expressed to 'Kim' for her time, enthusiasm, and openness to share our 'world of money hobby', as well as 'the world of stamps, at 'the grass-roots'.

MINTMASTER'S QUILL: An Editor's Prerogative

My Friends:

Recently, going through some rubbish and accumulations that once were part of the now inactive California Exonumist Society (CES), buried at the bottom of the dusty cardboard box with yellowing newsletters was a pristine 1976 Coin Club Roster then published by NUMISMATIC NEWS.

On pages 12 thru 17 were listed California local coin clubs: a whopping one hundred seven two (172) local coin clubs, covering most all of The Golden State.

One Hundred Seventy-Two (172)

The adding coin club membership of our Association and our compatriots, the statewide California State Numismatic Association (CSNA), would, deducting for duplication, *might* total fifty (50) or less local coin clubs or so nowadays.

Fifty (50) or Less

Where or what has happened to over one hundred plus (100+) local California coin clubs? Some, as the Pajaro Valley or the Hayward Area or the San Francisco, once held strongly attended local coin club shows, and others had attendance over fifty or more per meeting. For example, when I joined the now long defunct Napa Valley Coin Club, there were over a hundred crowding the American Legion main hall in downtown Napa, California plus, at least, ten dealers ready to sell or to buy.

So, What Has Happened?

My opinions have been expressed in prior NCNA HEADS AND TALES, over the past four decades. These opinions are also well-known and shared by other coin hobby stalwarts.

Aging population, fears of security, lousy traffic, the greed from the United States Mint, precious metal prices domination, lack of encouragement from national and statewide organizations, changes in California demographic population, and whatever else can be blamed.

For me, with soon fifty years of commitment at all numismatic levels, the main influence is that our hobbyists simply chose 'not to step to the plate' and 'roll up sleeves', thus 'give'.

But, enough can be written or expressed. The point in this Mintmaster's Quill is that local coin clubs, here in our Golden State, around our nation, and into our northern neighbor, Canada, are the 'grass roots', the 'real roots', of our hobby, where many make their first ventures into our grand 'world of money hobby'. If the 'roots' are thin or weak or sick, can the plant survive and sustain?

A plant, any living body, is only as good and solid as its roots. It is clear 'roots', meaning local coin clubs here in California, have declined.

The eventual consequences of this decline are left for the reader's thought.

2022 Dues

Our President 'Doctor' Lloyd G. Chan has directed that 2022 be a 'Dues Free Year'. Again, this is a consequence of the Pandemic, making any activities and events not possible. Any Individual Member or Club Member that had dues through 2020 (2021 also being credited) shall enjoy a 'Dues Free Year' for 2022.

January 2022 NCNA HEADS AND TALES

Due to several disruptive factors, this January 2022 NCNA HEADS AND TALES was delayed. Apology is expressed. The May 2022 Issue should be 'on-time'.

2022 Joint Forum

California State Numismatic Association (CSNA) and Northern California Numismatic Association (NCNA) NORTHERN CALIFORNIA NUMISMATIC EDUCATIONAL JOINT FORUM

Saturday, November 5, 2022 Theme: 'Visiting History Via Coins'

As this NCNA HEADS AND TALES issue is being prepared and printed, the presenters, although two potential are ready, have yet to be determined as well as their respective topics. This year, it is hoped to have four (4); collectively covering several diverse and interesting topics, *enhancing any coin hobbyist's numismatic enjoyment and education*.

The venue is still at the Vallejo Naval and Historical Museum in downtown Vallejo, California. This remains a 'Joint Forum' with our Association and the California State Numismatic Association (CSNA).

There would be Door Prizes, Goodie Bags, a possible Museum fund-raising drawing, on site simple lunch service, plus an enticement for local coin club members to attend and to stay the full event.

Needless to say, with the May 2022 NCNA HEADS AND TALES issue, the invited presenters and their topics and further updates would be announced.

If Continued PANDEMIC: Be Aware. Having proof of vaccination and wearing a mask most likely shall be mandated. Social distancing in seating would be asked, too. Extra masks and hand sanitizer would be available.

Coin Club Enticement

Each attendee who registers and remains until the closure may 'drop into a special drawing' names for two (2) northern California local coin clubs for a chance to win minor Mexican gold coins and/or Silver Eagles. This is a FREE drawing, and it is encouraging attendance by local coin club members.

An attendee can designate two (2) local coin clubs.

Again, this special drawing shall be at the end, and one must remain to the closure; leaving early would eliminate any chance.

Joint Forum Contributors

This year's Joint Forum has been blessed with active, and avid, participation by a few dedicated northern California coin hobby stalwarts: 'Doctor' Lloyd G. Chan, our Association's President and California State Numismatic Association (CSNA) Treasurer, Donald L. Hill, our Association's and Vallejo Numismatic Society's Secretary, Robert E. Luna, Past President of the Diablo (Concord/Walnut Creek, California) Numismatic Society, Maria E. Stillwagon, Treasurer of the aforementioned Diablo Numismatic Society, and Fred G. van den Haak, our Association's Second Vice-President. Each is working, as a team, toward a successful Joint Forum. For example, 'Bob' Luna has recruited two potential presenters and submitted efforts toward expanded promotion. He is also preparing a provocative 'did you know that' presentation. A 'coin photography program', with demonstration, is possible, too.

Continuing, among their creative input and ideas are enhanced Door Prize Drawings and *in gratis* 'Goodie Bags', one each to each attendee.

Joint Event

As has been announced, this Forum is planned as a joint partnership with the California State Numismatic Association (CSNA), while the primary financial support was from the Northern California Numismatic Association (NCNA). The CSNA Board of Directors voted and endorsed supporting this 'Joint Event'. CSNA, also, funded and directed its 'southern symposium', intended for tentatively June 2022.

2020 and 2021 Miller Medals

Our Association's most esteemed honor did have recipients in 2020 and 2021. An updated roster of 'Miller Medal' honorees is included with this NCNA HEADS AND TALES issue.

Donnell Award

This Award, specific to local Club Members (a coin club must be a Northern California Numismatic Association (NCNA) member) is available. Requests, in writing, are directly to 'PO Box 4104, Vallejo, California, 94590-0410, Attention 'Doctor' Lloyd G. Chan' or lchanfizx@aol.com.

Only written requests, with specifics, are honored. The request must include the full proper name of the individual and the date to be bestowed. Retroactive awards are not allowed.

While presently there is no charge for 'Donnell Awards', these are limited to a two (2) maximum per calendar year per requesting Club Member, with a nominal donation of \$15.00 per award would be appreciated, covering the engraving and preparation as well as any mailing and handling.

Coin Show Schedule

No Coin Show Schedule has been published, for the obvious reason. Timely submission is imperative. Also, submissions must be direct to **Fred G. van den Haak**, Coin Show Schedule Coordinator, not Your Editor. He can be emailed at <u>fredvdh@gmail.com</u>. Depending on date request was received, at least fifty (50) copies would be provided, *in gratis*.

'IKE's For A's/JFK's For B's

Our Association, with the Fairfield Coin Club and Vallejo Numismatic Society, has developed and seeks to implement regularly this 'youth numismatic encouragement'. The success depends on NCNA Club Members promoting this to their respective youth members.

The 'IKE's For A's/JFK's For B's' has two intentions: one, to reward academic excellence, and two, entice youth into our 'world of money' with the simple premise: 'how many youngsters, or even adults, have seen and held an 'Ike Dollar' or Kennedy Half Dollar'.

Local northern California coin clubs, who are NCNA Club Members, are invited to contact our Association and make arrangements to have this 'IKE's For A's/JFK's For B's' at their respected coin show or at a meeting. Promotion is the responsibility of the local coin club.

'Youth Numismatic Support'

The Fairfield Coin Club, our Northern California Numismatic Association, and the Vallejo Numismatic Society, has joined and coordinate an endeavor to encourage and to entice 'youth numismatics'. This endeavor is in the same mode and vane as the aforementioned 'IKE's For A's and JFK's For B's'.

This parcel would include a generous supply of minor foreign coins, used foreign and United States stamps, cheap magnifiers, information from the United States Mint, 'cent blanks', and whatever else. All intended for dissemination among youth. This could be done at a local coin club meeting or at a sponsored local coin club show.

As a courtesy, a parcel was donated and mailed to a local coin club distant from the San Francisco Bay Area. Presently, this offer is limited to the aforementioned Club Members. With the hoped returned of local coin club shows, Your Editor might resume staffing his famous 'combination table', promoting both youth and the hobby. Contact and inquiries via EMPERORI@juno.com or write to 'PO Box 4104, Vallejo, California'.
